On the afternoon of September 27th 2016, the president of the Eurasia-Pacific Uninet, Prof. Wolf-Dieter Rausch joined exchange talks at the Binzhou Medical University with respective staff. University president 王滨 Wang Bin, as well as vice-president 白咸勇 Bai Xianyong and staff-in-charge of respective departments met with Prof. Rausch in the reception room on the tenth floor of the office building to participate in the meeting.

Mr. Wang Bin expressed his school's support, assistance and heartfelt gratitude to Prof. Rausch concerning the overseas work of the Eurasia-Pacific Uninet.

Both sides, Mr. Wang Bin and Prof. Wolf-Dieter Rausch, signed a cooperation agreement and thoroughly discussed the next steps of the cooperation and exchange programs. Both sides agreed to deepen the cooperation concerning the training of qualified teachers, student exchanges, and scientific research in order to contribute to the human health.
